

“ Swasthya Mahotsav 2016 ” (7th, 8th, 9th & 10th December’ 2016)

K. J. Somaiya College of Science & Commerce (Department of Biochemistry) has organized a DBT sponsored (Under Star college scheme) “ **Swasthya Mahotsav 2016** ” on 7th, 8th, 9th & 10th December’ 2016.

Following **two activities** are organised under this event -

1. A series of talks in Clinical/Medical Biochemistry by leading & eminent medical practitioners in Mumbai, whereby the **undergraduate students of Biochemistry & allied sciences, entire faculty** (teaching & non-teaching staff) of **Somaiya Vidyavihar** would get the opportunity to directly listen and interact with the doctors on various Medical Biochemistry topics and Health issues. The Schedule for the same is attached herewith.
2. On this occasion (ie. on 7th, 8th, 9th & 10th December’ 2016) we would also like to offer - **’Routine Biochemical tests package’** to the entire staff & students of **Somaiya Vidyavihar** as well as **staff of Somaiya Head office**. Following medical tests facility will be done using fully automated analyser EM 200 & cell counter Orphee Mythic.

The tests include –

A] Routine Biochemical Test package (just for Rs. 500/- per individual):

1. Blood Glucose (Fasting)
2. Entire lipid profile (Including Cholesterol, Triglycerides, LDL,HDL,VLDL)
3. Hematology - CBC (complete blood count), haemoglobin
4. Bone function tests - Calcium, Uric acid
5. Liver function tests - SGPT & SGOT
6. Kidney function tests - Creatinine & Blood urea nitrogen (BUN)

B] Special Tests:

1. Thyroid Hormone test (T₃, T₄, TSH) (**Rs. 150/-**)
2. Vitamin D3 & Vitamin B12 (**Rs. 650/-**)
3. RA test (**Rs. 80/-**)
4. Blood grouping (**Rs. 50/-**)

Those who wish to avail the facility of the **’Routine Biochemical tests package’**-

1. We request you to kindly pre-register your names with us (at Dept. of Biochemistry, K. J. Somaiya college of Sci. &Comm., ground floor, Old bldg.), which would enable us to do the necessary arrangements for the blood collection as well as to provide you the respective date and timing for your blood collection.
2. We would like you to kindly note that - At the time of blood collection - the individual should be fasting for 12 hours.

We would like to request all the HOI’s to kindly provide us the list of the staff and students who wish to avail this facility, from their respective institutes as soon as possible (preferably by 5th December 2016) in the format attached herewith. The payment can be done at the counter at the time of blood collection.
